T. C. A. Makes Final Arrangements For Midwinter Outing

Professor Morris to Take Trip To White Mountains With Undergraduates

Announcement was made yesterday that the Executive Committee of the T. C. A. has decided to hold the proposed mid-winter outing for the T. C. A. members and their friends. The decision was made in favor of the plan originally proposed by Professor Morris, General Secretary of the T. C. A., to hold the outing in the White Mountains.

The total cost of the outing, not counting incidentals, which depend materially upon the kind of traveling and excursions undertaken, is estimated to be less than $10. This includes transportation to and from Medford, N. H., and board and lodging for three days, as well as transportation from the station in the A. K. The party will leave on Saturday, February 1, and return Tuesday night February 4.

Announcements of the trip have been made at all the Fraternity houses and have also been posted on the bulletin boards.

Another example of how you realize the wide, wide world that separates song-plugging from singing, when you hear Real Etting singing.

The idea of getting you two popular girls, colored with just the right color of pep, sweetness, and melody—and that too at a bargain price—is a bit large to me.

Sample Real's latest today, and hear these two fine steppers as well . . .
