No Definite Regulations Regarding Unexused Absence in Use at M.I.T.

Institute Assumed To Be Place For Men To Play, Not For Boys To Play

Quite different from the schools for women students, there are no rules of any cut. In nearly all cases that can be taken during the term, the landscape is left entirely at the discretion of the students. In the case of West Point, the regulations are as follows: "The institution is a place for men to attend the military academy, and the conduct of the men is entirely left to their own judgment." This is a rule that is strictly enforced, and the students are subject to the discipline of the corps of cadets.

I believe that the regulations at West Point are quite different from those at M.I.T. It is assumed that the students are adults and should be responsible for their actions. The regulations at M.I.T. are quite flexible, and the students are encouraged to take advantage of the landscape and to participate in academic and extracurricular activities.

Edgeworth Smoking Tobacco

42 out of 54 colleges choose this FAVORITE pipe tobacco

and Yale agrees

LOOK UP AT THE WINDOW OF THE Edgeworth pipe tobacco

Yale man smokes. In the springtime you'll see him sitting in his doorway, or at a park bench, with a packet of Edgeworth between his teeth.

On Chapel Street... or at the Bowl... everywhere the Yale man goes, his pipe and Edgeworth go with him. And at over 15 of the leading colleges and universities Edgeworth is the favorite tobacco.

A tobacco must be good to win the vote of so many discriminating smokers. And Edgeworth is good. You can get it wherever tobacco is; or "Ready-Rubbed." All sizes, "Ready-Rubbed."
