

## STEWART DRILLING PUCKCHASERS FOR B. U. GAME FRIDAY

Lack of Passing, Teamwork  
Are Main Defects of  
Beaver Team

DR. VAUGHN B. U. COACH

Boston Team Starts Year With  
Brown For Opponents  
This Evening

Practices this morning and tomorrow will give Coach Stewart a chance to improve the teamwork and coordination of the forward line of the Beaver hockey team. Preparing for the Boston University game Friday night at the Boston Arena, Stewart will stress the passing offense. The Institute squad has already dropped two games of account of lack of teamwork and does not intend to lose more on the same account. The B. U. team is a strong one with all except three of last year's veterans back.

Friday morning is the date of the first freshman practice of the season. Delayed one week on account of broken ammonia pipes at the Arena, the freshmen will start their workouts in preparation for their season which starts the first of next month. The first game on their schedule is with Phillips Academy at Andover.

Dr. Vaughn Is Coach

Dr. Waland Vaughn has again been retained as coach for the Boston sextet. The prospects for the season are fairly bright with an all veteran squad with the exception of three men who graduated last June. Besides, there are several promising men who have come up from last year's freshman team.

B. U.'s first game will be played tonight against Brown University. That will give the Technology team a chance to not only size up their immediate opponents, but also the Brown team, which the Beaver squad plays late in the season.

Probable B. U. Line-up

In practice of late the B. U. forward line has been composed of Dick Lombard at left wing, Art Wilson at center, and Holmes Whitmore at the right wing position. A substitute line made up of Paul Toohy, Shorty Baron, and Nate Herman has been crowding the first line for their positions. Both lines will probably see action in the game with M. I. T.

Varsity defense men are Bucky Berholtz and Dick French. The position of goalie has been hotly contested by several of the veterans on the squad. Burt Grodberg, last year's goalie, has been outclassed in the late practices by Dan Harrington. Harrington will probably start the Technology game.

Engineers Won Last Year

Coach Vaughn has made a very strong team for the college competition this winter. Last year in the first game of the season for both teams Technology won over the B. U. 3-1 in a rather ragged game. This year's game is later in the season and will show better playing than last season's game.

Tickets for the B. U. game may be obtained at the T. C. A. office any time before the game. For this game there are many good seats at 50 cents with others at a higher figure.

## Running Broad Is Popular Event In P. T. Competition

Freshman Class Has Many  
Broad Jumpers Entered  
In This Event

In P. T. Competition the running broad jump is one of the most popular events. With several good jumpers available from the freshman class it is expected that this event will be a feature of the competition. Richard Bell, one of the most promising candidates, has already made a leap of 19 ft. 5 1/2 in. This mark is only five inches short of the indoor record made by Al Lawrence in 1928 and equalled last year by Charles Sullivan '31. However, the outdoor freshman record is 21 ft. 1 1/2 in., which was set by Soisalo in the meet last year with the Dartmouth yearlings.

Last season 67 men competed in this event, the best jump being made by Everett Coon with a mark of 19 ft. 4 in. Coon won the competition with an average of slightly over 74 points. The average jump last year was just under 16 ft.

Record Should Fall

The present record for this event is expected to succumb to the assaults of the athletes some time during the winter season. If not broken before, it is expected to fall at the annual indoor interclass meet the latter part of the winter. In this meet Kiraide, and Soisalo of the Sophomore class will also compete in the broad jump along with Bell and the other promising freshmen.

The distances and the points which they will score for their own are as follows:

21 ft. 1 1/2 in., 100 pts.; 20 ft. 8 in., 95 pts.; 20 ft. 3 in., 90 pts.; 19 ft. 10 in., 85 pts.; 19 ft. 5 in., 80 pts.; 19 ft. 10 in., 75 pts.; 18 ft. 7 in., 70 pts.; 18 ft. 2 in., 65 pts.; 17 ft. 9 in., 60 pts.; 17 ft. 4 in., 55 pts.; 16 ft. 11 in., 50 pts.; 16 ft. 6 in., 45 pts.; 15 ft. 1 in., 40 pts.; 15 ft. 8 in., 35 pts.; 15 ft. 3 in., 30 pts.; 15 ft. 0 in., 26 pts.; 14 ft. 8 in., 20 pts.; 14 ft. 3 in., 15 pts.; 13 ft. 10 in., 10 pts.; 13 ft. 5 in., 5 pts.; 13 ft. 1 in., 1 pt.

Harvard University has an endowment of \$82,825,000 the largest in the United States. Columbia is next with

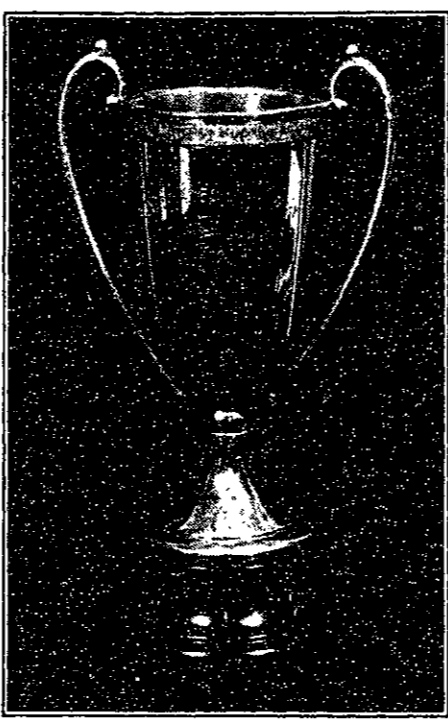

The honor system consists of two parts—not cheating, and reporting cheaters. At Wesleyan University they seem to obey at least one section. Just 360 cases of cheating were reported by the students in one year.

At University of Minnesota more than 300 students have cancelled their registrations because of lack of employment.

At Northwestern University new regulations recently put in force by the dean of women include prohibition of telephone calls after 10 o'clock at night, a curfew hour of 10:30 o'clock for seniors, 10 o'clock for juniors and sophomores, and 7:30 o'clock for pledges and freshmen.

In order to stimulate interest in a football game which took place recently, the students of Gonzaga College held a night shirt parade. Nearly three hundred students attired in night shirts and pajamas paraded through the downtown streets of Spokane, Washington. Stops were made at several hotels and pep demonstrations were given.

## ANNOUNCE PLAN FOR N. E. SOCCER LEAGUE

Continued from Page One  
continue improving in this field of sport.

Dr. Allan W. Rowe '01, was unable to attend the banquet, but sent a letter which stated his pleasure "in seeing such sterling competition given to good teams." He stressed the recreational value of the sport and designated it as "one of the really important undergraduate athletic activities."

Awards Given

Letters for the 1930 season were awarded to 15 Varsity men and there were 18 freshman numerals given out. The team is fortunate in only losing a few men and next year's team will invite plenty of competition for positions.

Short talks were given by Captain Samuel G. Ryan '31, captain of this season's team; Coach Welch; Emerson P. Kron '34, the freshman captain; retiring manager, Byron E. James '32; and by Fred L. Haas '33, who has been chosen the manager for the coming year.

Additional Field

Besides the possibility of starting a Junior Varsity team there is going to be a second practice field next to the present one. This will enable next year's freshmen to have a field of their own and the Varsity and Junior Varsity to scrimmage on the present Coop field.

West Point has again invited the Technology soccer team to play there on Armistice Day and contracts have been signed with four New England colleges for next season's program. In case the league is formed it will not be necessary to play all the teams in it and the winner for the year will play the champion of the New York state district.

Spring practice will be held and four or five games are to be played with a demonstration game on Open House Day between two selected teams of the Institute.

## Interclass Meet Is First Contest Of Swimming Season

Varsity Training For Meet  
With Amherst—Twenty-  
Seven Frosh Report

Technology swimmers will enter their first official event of the new season this afternoon in the regular interclass meet to be held in the pool of the University Club. The races are scheduled to start at 5 o'clock and will probably be closely contested, particularly by the sophomores and freshmen.

Preliminaries for the meet, which includes the 50, 100, and 200 yard free style and the 200 yard breast stroke, were completed Monday evening. The other events in which the class representatives will enter are the 200 yard back stroke, the 200 yard 4-man relay, and the diving competition.

Those qualifying for the 50 yard free stroke were Capt. Lutz, Baker, Thompson, and Teague. Capt. Lutz, Heintz, Thompson, and Teague qualified for the 100 yard free style—Lutz leading with the time of 1:23 5/8. In the 200 yard free style the best time was 2:33 2/5, made by Vaughn. The other men who qualified were Capt. Lutz, De Vausney, Henning, and Wilder. Ellis, Mauler, Turner, and Lowenstein qualified for the 200 yard breast stroke. The fastest time, 2:54 3/5, was made by Ellis.

Although the Varsity has suffered seriously from losses due to graduation, the yearling material is excellent and according to Coach Brown superior to that of many past years. A squad of 42 is reporting and of this number 27 are freshmen. For the past month and a half practices have been held regularly from 5 o'clock to 7 o'clock on Mondays, Wednesdays and Fridays. The first intercollegiate meet is scheduled for January 10 with Amherst at Amherst. On the same date the frosh team will meet the nators of Malden High School at Malden.

## RIFLEMEN WIN FROM GARDEN CITY SQUAD

Against the Garden City Rifle and Revolver Club Saturday night the M. I. T. Varsity Rifle team shot its way to an 878 to 827 victory on the Technology range. Hodges, the lead-off man for the Beavers, was the high scorer of the meet with 186. Other M. I. T. scorers were as follows: L. S. Gifford, 176; A. La Capria, 174; K. Clark, 171; S. C. Gawlowicz, 171; G. Gentley, 169; R. Burdick, 163; C. A. Spiegel, 163; J. C. Lyon, 160; W. B. Whittemore, 143.
