line. Colman will see service as goaltender.

**B. U. Line-up Named**  
Against this Beaver squad will probably be the same line-up that B. U. played against Brown Wednesday night. Whitmore, Wilson and Lombard compose the forward line. Captain Bergholtz and French at defense are opposing the M. I. T. line. Harrington will start at the goaltender's position.

B. U. lost Wednesday night to a Brown University team in overtime play by a 3-2 score. Captain Buck Bergholtz of the Terrier team did the outstanding work for the Boston team. The defense men made several very nice stops during the game. The team functioned fairly well as a whole with good passing occasionally.

Scoring for the B. U. team was done by combinations of Captain Bergholtz, Toohey, and Whitmore. The game was characterized by a group of penalties imposed on both teams for tripping and ignorance of the anti-defense ruling. Both teams did well for their first games of the season.

Tickets for the game tonight may be obtained at the T. C. A. office. Most of the seats are priced at 50 cents, although there are others at a higher figure. The Arena, the rink on which the contest will be held, is on Massachusetts avenue, just a block past Huntington.

Freshmen workouts began this morning with a 7 o'clock practice at the Arena. The yearlings will also practice at the same hour on both Monday and Tuesday mornings. Certain freshmen will go home sore for Christmas day.

### MUCH BUSINESS DONE BY TICKET SELLERS

During their first four days, the railroad and steamship agents who have been in the T. C. A. office during lunch time have done a business of over \$900, it was revealed yesterday. The representatives will be in the office from 12:15 to 1:45 o'clock every day until the Institute closes for the Christmas vacation; railroad tickets and Pullman and steamship reservations may be made through them.

### MANY EVENTS IN HANDICAP MEET

(Continued from Page One)  
breaking the 60 yard dash record last Saturday and of Cummings in tying the 40 yard dash record on the preceding Saturday. Both these men are entered in tomorrow's dash and should have a fine race for first honors.

Another race which should be a bright spot of the afternoon is the 600 yard run. MacKay, the speedy Sophomore middle distance man, will run in this event and he will receive plenty of competition from Jewett, who is showing great improvement this season, and Rosas, who usually runs the quarter mile but will

try his hand at the longer distance. Coach Oscar Hedlund announced yesterday that he will be at the track house during the vacation every afternoon from two to four including Saturdays, to assist any of the trackmen who will remain at the Institute over the holidays and the local men who care to do some running to keep in condition.

Upon coming back from the Christmas vacation intensive practice will be started for the busy indoor track season which starts January 31 with the K. of C. Games at the Boston Garden and continues each week, 'till the last part of March. An innovation will take place sometime in January when a handicap meet for freshmen only will be held.
