BROWN GAME JANUARY 14

After more than a month lay off from the last basketball game, Lowell Textile will oppose the Technology"fire tomorrow in the Hague Gym. The game is slated to start at 8 o'clock.

Lowell brings with him a squad including five lettermen, four of whom are in the starting lineup, and all of which played in last year's game between the two teams. All of them except one have been selected as members of the district team, which was invited to the national meet in the 1933 games. He has been selected as the captain of the superior central position. Center will be held by Kaplan, a senior who has done that this year.

Five Veterans on Textile Team

Three members of the Textile squad are veterans of the gym. They are Brubaker, who has been on the starting team for two years, and Smith and Smith, who were members of the starting team last year.

The game between the two last, but three, the men who played in the Textile game last season, and the five men who played in the Technology game last season, will be a real test of the two teams. The Textile team will be led by their captain, Kaplan, who has been on the starting team for two years, and the Technology team will be led by their captain, Little, who has been on the starting team for three years.

The game will be held in the Hague Gym, which is located on the second floor of the Technology building.

Wrestling Teams Journey To New Haven Tomorrow

Vanita Primed For Encounter With Yale-Freshmen's

Yale wrestlers will feel the power of the Institute on Saturday night at the State Basketball Game. The Institute has been victorious in both basketball games and will be victorious in the wrestling game.

The Institute will have three wrestlers in the 118-pound class, and two wrestlers in the 125-pound class. The wrestlers will be led by their captain, Kaplan, who has been on the starting team for two years.

The game will be held in the Hague Gym, which is located on the second floor of the Technology building.

Prepares for Sixty Years of Science

President and Mrs. Wiggin were present at the dedication of the new Science Hall on Friday afternoon. The President was present to give the address of dedication.

The Institute has been awarded the Perkin Medal, which is given to the Institute of Chemistry for the year.

The lecture is open only to students of the Institute of Chemistry, who will be given the opportunity to attend the lecture.

The lecture will be held in the Hague Gym, which is located on the second floor of the Technology building.

TECHNICALITIES"TO OPEN AT MOUNT HOLYOKE PRIOR TO BOSTON PERFORMANCE

First Trip Since 1928 Planned for This Year's Show

Institutional Touring To Be Month After Showings At South Hadley

First 1931 Poster Is Selected

THOMAS L. HANSON AND HARLEY W. R. WASHBURN, PRIZE CONTEST

"Technicities," Tech Show 1931, has an announcement to make. The show, which opened its run in Boston on Saturday, February 11, it was announced yesterday, will be in South Hadley on Wednesday, February 29, and will then proceed to Boston for almost two more weeks, and will be the first trip that Tech Show has made in three years.

The performance of South Hadley has been selected as the show that will be given in the auditorium on Saturday morning. The show will be followed by a dance, the admission tickets for which will be sold at the auditorium door.

Second Address In Aldred Series By Elwood Mead

Lecture On "Boulder Canyon Project To Be Given At 3 O'Clock

by B. E. B. E. M.

The American Society of Civil Engineers in the United States has been presented with the Benevolent and Protective Order of Elks.

The lecture will be given in the Hague Gym, which is located on the second floor of the Technology building.

Preparation for Poland Spring Conference

The conference, which is being held in Poland Springs, will be held on Monday, February 27, at 9:30 o'clock. The conference will be attended by the Institute of Chemistry, and the American Chemical Society.

The conference will be held in the Hague Gym, which is located on the second floor of the Technology building.

Registration Material Is Distributed Today

First-year students, except those in the "Senior Class," and other students who have met the registration requirements at the office of Mr. Thomas M. McGregor, will be registered for the spring semester. The registration material will be distributed at the office of Mr. Thomas M. McGregor, which is located on the second floor of the Technology building.

No Dance Follows Basketball Game

After the basketball game, there will be no dance arranged by the Student Body, because of the approaching examinations. Immediately after the game, the students will be discharged from the gym and the examinations will begin.

The lecture is open to students of the Institute of Chemistry, who are members of the instructing staff.
