

BROWN TAKES TWO FROM VARSITY AND FRESHMAN CAGERS

Engineers Meet Harvard Team Monday Night in Big Game of Year

Varsity Score 37 to 24

A jinx which has been following the freshman basketball team all year seems to have gotten a hold on the Varsity lately. This nemesis, which seems to pop up in all the close games during the last few minutes, was responsible for losses by both teams Wednesday night against Brown. The Varsity game ended in a 37-24 score, while the frosh lost theirs, 26-22, in the preliminary.

Though a thirteen point margin would not seem to indicate a very tight game, a better idea of its nature can be gotten from the fact that the score was tied at 21 all with less than half the final period to go. Something happened at this point in the game, as Brown opened up an attack that netted them almost a double of their score before the game was over. Up until this time the game had been close and hard fought, the Engineers having been in the lead most of the first period. Towards the end of this half the Bruins went ahead and kept not more than a four point advantage any time until the last minute splurge.

Snyder Stars for Brown
Snyder, the Brown left forward, was largely responsible for his team's victory, being the main offender during this offensive, and also was outstanding throughout the game, scoring nineteen points. Between he and Caulkins, who made eight points, the forward offense had more scoring punch than the whole Technology team. Feustel was again high point man for the Engineers with seven, and Harrison and Johnson were next with six apiece.

In the preliminary between the two freshman teams, Brown won through their fast start and whirlwind finish. They succeeded in sinking six baskets, before the Beaver yearlings could find the basket. However, they held only a four point lead at the intermission, and the score was knotted several times during the last half. Two floor shots finally decided the game in the last four minutes. O'Brien was again high scorer for the Engineers with nine points, although he only played part of the game because of his knee injury. Morse led the Bear cubs with twelve counters.

Harvard Game Saturday
Harvard is the next on the schedule, three games being arranged between tonight and Monday night. The Varsity second teams and ineligible are to play tonight at five o'clock in the Crimson gym. Monday night the freshmen play the preliminary to the big game of the season in the Hangar. Harvard and M. I. T. Varsities will be the attraction. The game between the two fives proves quite interesting each year, and usually draws a good crowd. In last year's meeting between the two teams, the Crimson came out ahead in a close game. However, they were defeated later in the season in an unofficial game. Harvard to date has been quite successful, but due to the rivalry in this game, previous records count little. The game will be one of the big sport events of the year between the two schools.

Summary of the Brown games:

M. I. T.			
Fd.G.	Ft.G.	Pts.	
Harrison, rf.	2	2	6
Feustel, lf.	2	2	7
Motter, c.	1	1	3
Sisko, rg.	0	0	0
Stockwell, rg.	0	0	0
Coffey, lg.	1	0	2
Johnson, lg.	2	2	6
Totals	8	8	24

Brown			
Fd.G.	Ft.G.	Pts.	
Snyder, lf.	7	5	19
Walsh, lf.	0	0	0
Caulkins, rf.	3	2	8
Sawyer, c.	2	1	5
Skinner, c.	1	0	2
Hemmelwright, lg.	1	1	3
Schein, lg.	0	0	0
Antell, rg.	0	0	0
Totals	14	9	37

Score at half: Brown 18, M. I. T., 14. Referee, Kelleher.

M. I. T. Frosh			
Fd.G.	Ft.G.	Pts.	
Edmond, rf.	0	1	0
Lawrence, lf.	2	2	6
Rimbach, c.	0	0	0
Steele, rg.	0	0	0
Struck, rg.	1	0	2
Greene, lg.	2	0	4
O'Brien, lg.	3	3	9
Totals	8	6	22

Brown Frosh			
Fd.G.	Ft.G.	Pts.	
Morse, lf.	6	0	12
Herbst, rf.	2	0	4
Smith, rf.	1	0	2
Strand, c.	2	0	4
Hammer, lg.	0	0	0
Mau, rg.	2	0	4
Totals	13	0	26

Score at half: Brown frosh 14, M. I. T., 10. Referee, Merritt.

Frosh Improve Scores To Eliminate Demerits

Freshmen sharpshooters are getting a chance this year to capitalize on their skill. One of the company commanders has instituted a plan whereby each point over eighty on their shooting score, counts as a make up for one demerit. As a result of this plan the boys are trying as never before and records seem to show that scores have improved remarkably. Some of the better shots, by getting a score of ninety-five or so, can amass fifteen demerits and still break even.

Yearling Matmen Meet Browne and Nichols Tonight

Team in Best Shape Since Participation in All-Tech Tournament

Freshman wrestlers are anticipating a victory this evening in their meet with Browne and Nichols, at the school in Harvard square. The men have been working daily, in a running competition to decide the team members to represent Technology in the meet, and several changes have been made in the line-up since the meet with Yale, last Saturday. Milliken has been deposed from his place at the head of the 135-pound class, by Fred Judd, who has climbed from the bottom in the last week, and beaten the three men between him and supremacy.

Blondin, owing to sickness, lost his hold on the 126-pound championship, and it is now held by J. A. Sweeney, who before this has not been an outstanding wrestler. Isbister still has the one forty-fives held to a standstill, and is expected to show up in the top tonight, unless he runs up against some extraordinarily strong opponent. Poole came out of the 145-pounders, to lead the race for the 155 pound title, and is to wrestle in that class tonight.

Browne and Nichols is not considered as a difficult match as it is in the prep school rating, and to further this opinion, Andover trimmed them last week, in a walkaway meet. The men will weigh in in the afternoon, all weights being required by five o'clock. Coach Ricks is regarding the outcome of this meet, cheerfully, and seems to be sure that there will be no such disappointment such as Yale provided, last Saturday.

Sports Desk

This rifle team is causing great consternation in journalistic circles. Two or three meets will be run off during the course of a week, and, to make a news story about it, it would seem to be the natural desire of the reporter, but just let him try to do it. The scores of the Technology team will be in readiness but the mails are so slow, that the opponents don't know their rating until the middle of the following week, nor does the diligent reporter know the scores or ratings of the opponents.

Someone said that Plass won a two-lap race from another unknown frosh, on the board track last week. As a result, he exceeded the required limit of three practices a week, by two, the first time he's done more than three this season. We expect him out at one of the Saturday meets soon, to wipe the other competitors off the track.

In student tests made at the University of Minnesota it was proved that students study best under the influence of radio jazz.

Authorities of Haverford College have forbidden any parking of cars on campus due to the antics of two students who parked demonstration automobiles on the porches of two buildings owned by the college.

A class in ballroom dancing is being offered students at Iowa State College and according to word from Ames, the enrollment is so large that they have had to cut down the number of periods per week from three to one.

The beat of tom-toms and chanting of braves echoed over the campus of Haskell Institute, Lawrence, Kansas, as more than 1,000 Indians, attending a nation-wide pow-wow incident to the game between Haskell and the University of Kansas last week participated in the war-dances of their fathers. The spectacle was held in the athletic stadium of the Government's Indian School. The braves tramped across the chalk-lines of the institution's football field, the modern battleground of Indian youth. — Oregon Daily Emerald.

COMPETITION FOR FRESHMEN ONLY TO BE HELD SATURDAY

Seven Events Listed for Frosh Handicap Meet To Be Run on Boards

Trials for Relay Team

What appears to be the best handicap meet of the winter season will be held tomorrow afternoon at two o'clock. One of the features of the meet will be the running of seven events for freshmen only. In addition to these events there will be four events for varsity men and also the first trials for the relay team which will represent Technology at the B. A. A. Games at the Boston Garden, Jan. 31.

For the freshmen, the events to be held include the 50-yard dash, 300 yard run, 600 yard run, 1000 yard run, 45 yard low hurdles, high jump and shot put. The Varsity men will compete in the following events: broad jump, pole vault, 880 yard run and 50 yard high hurdles.

1000-Yard Record in Danger
The competition is expected to be keen and if the day is a good one for running, several records may be broken. In particular the 1000 yard race mark seems to be in a precarious position. This race will find Hall and Mann, the freshmen cross country stars, entered along with several other promising runners. These two, however, seem to be the pick of the field and should push each other hard enough to set a new mark. The present mark was established last year by R. G. MacKay '33, a candidate for this year's Varsity team, and is 2 min. 27 2/5 sec.

The 600 yard record also seems to be in danger from the flying feet of the freshmen. The present record of 1 min. 18 4/5 sec. was made in 1929 by J. W. Jewett '32. The leading entrants in this race are Mann, Hall, Glynn, Hopkins, Schwarz, and Smith. All these men have proved their speed in the previous meets held this year and they are all dangerous competitors.

Dash Should Prove Fast
The fifty yard dash also ought to be another excellent race. The leading entrants in the dash are Ball, Lockhart, and Sousa. It would not come as a complete surprise if another record was set up in this event also. The present record of 6 seconds flat was made in 1929 by R. Wayne '32.

The entry list in the 300 yard run is very long and will probably necessitate running several heats. The outstanding contestants in the 300 are Wrigley, Hill, Schwarz, Lockhart, and Sousa. The low hurdles shape up to be a battle for premiere honors between Hill and Lockhart. From all appearances Wierman, Lockhart, and Jewett will have a hot battle for first place in the shot put. All these men have shown good form this season and have done consistent work. The entry list in the high jump is not so long as in some of the other events but the competition is expected to be just as close with Tomlinson and Walker favored to win.

Races for Varsity Men
Meanwhile the Varsity men will hold a handicap meet of their own with the events above mentioned being held. Also the candidates for the Varsity relay team will be given their first workout and trials in preparation for their first meet. At the B. A. A. Games it seems probable that their opponent will be Dartmouth although it is not definitely settled. The trials for the freshmen relay team will be held some time next week, the exact date depending entirely on the weather conditions.

In place of classes in physical education, undergraduates at Barnard College, New York, who are in poor physical condition because of fatigue, are being required to take courses in "rest and relaxation." Full credit is given students in this course, who are being taught how to sleep.

Thirteen thousand students at the University of Waseda, largest university in Japan, have gone on a strike because they objected to the distribution of baseball tickets to a game between the University of Waseda and Keio University. Wasedo was defeated in the game. The students demanded that a formal apology be made by the president for the manner of the distribution. They also seek the establishment of self-governing bodies in each division of the university.

Find Cause For Pump In Front of Old Dorm

Why and wherefore, ask dormitory dwellers, the pump that has been obstructing the walk in front of '93 for the past few days, and forcing those who wish to pass that way to jump over a hose line leading to a hole near the wall of the building. Water from an unknown source has been seeping into the basement of '93 and to avoid damage to trunks and other articles stored there it has been necessary to resort to pumping.

The wall has been covered with a coating that gives it some measure of protection but it has not been discovered from where the perfectly clear water is coming. Although the dormitory is built on made land, it is above the level of the Charles, and seepage from the river is therefore unlikely.

Natators Go Down To Second Defeat Before Midseason

Lutz Is Individual Star For Beaver Team in Meet With Harvard

Harvard swimmers took over the Institute mermen to the tune of 54-8, last Wednesday evening, at the new Harvard Tank, taking all the first places, and all but one of the seconds. The meet was one sided, from the first race to the last, and the Engineers found difficulty in staying with the Crimson in every race. Such an overwhelming defeat was not unexpected, as the Harvard team has been showing up among the best of the college teams this fall, and has men who are equalling the collegiate records in several of the events. Two of the boys have lived in Hawaii and are natural swimmers, in three cases coming within a second of the world's record for their races.

Lutz Second in 440
Captain Lutz was the strength of the Technology squad, by virtue of his taking second place in the 440-yard free style, and third in the 100-yard dash. In the diving, Joe Lynch, trailed to take a third, and was not far behind the two Harvard men who fought a close match for the first honors. Thirds were taken in all the other races except the relay, in which the Beavers again rated second. In the 50-yard free style, Teague, M. I. T., ran one of the closest races of the meet, following Fallon and Timken to the finish, by only a few inches.

Cliff Larcom, a Harvard man, set up a new Harvard record for the 200-yard breast stroke, churning the distance in two minutes and fifty seconds.

The summary follows:

Varsity Meet	
50 yards free style—Won by Fallon (H); second, Timken (H); third, Teague (T). Time, 25 1-5 sec.	
100 yards free style—Won by McGuane (H); second, Lutz (T); third, Russell (H). Time, 5 min. 52 sec.	
Diving—Won by Luckey (H), 63.2 points; second, Duane (H), 61.4 points; third, Lynch (T), 56.7 points.	
150 yards back stroke—Won by Atherton (H); second, McTigue (H); third, Baker. Time, 2 min. 2 4-5 sec.	
200 yards breaststroke—Won by Larcom (H); second, Lehman (H); third, Turner (T). Time, 2 min. 50 sec. (New Harvard record—old record by Robert Vanckx, Harvard, 2 min. 59 sec.)	
100 yards free style—Won by deLima (H); second, Love (H); third, Lutz (T). Time, 56 4-5 sec.	
Relay race—Won by Harvard (Fallon, Timken, Ayer, Wood); second, Tech (William, Baker, Thompson, Teague). Time, 1 min. 42 1-5 sec.

Princeton University—Juniors have special permission to play marbles, while seniors resort solely to spinning tops.

One hour of credit is given, the work being carried on by the women's physical education department, and the social director for girls. Over 350 men and women are taking the course.

An example of the deep and wicked depravity of Harvard boys, even in the early days of the country, is furnished by the following remark made by one of the characters in "Gilman of Redford," a Revolutionary war novel:

"I am even informed that Harvard students have been permitted to attend, if they wished, the Episcopal services at that iniquitous building in Cambridge called Christ Church. Be persuaded: No such evil deviation is endured in the straiter and godlier atmosphere of Yale, whereof I may claim to be an alumnus."

Without a doubt the most unique college band in the country is the famous Kilty Band of Carnegie Tech. It follows the football team on all trips, and as the killies swing into march step with white knees flashing from beneath the short skirts of their Scottish uniforms they are certainly an inspiring sight. In addition to its striking appearance, the organization has achieved near perfection from a musical standpoint. Recently the killies followed the team to the University of West Virginia. Arriving after a dusty trip they had their pride severely wounded by being forced to parade through Morgantown with dirty knees.

Alleged failure to shout "fore" before driving a ball on the Schenley Park golf course in Pittsburgh will cost Maurice A. Nernberg, attorney, \$1,000 if a recent verdict returned by a jury stands. The jury held that Nernberg's negligence in sounding the warning entitled Leon Benjamin, who was hit by the ball, to \$1,000 for the loss of four teeth and other injuries. Benjamin said he was putting on No. 6 green when Nernberg drove from No. 7 tee. They parallel, and witnesses said Nernberg's stance was not calculated to send the pellet on a straight line for No. 7 green. Nernberg will seek a retrial of the case, he indicated.

How Quickly Will You Become a Business Executive?

Are you prepared for business? Do you know enough about Finance, Management, Production and Distribution to QUICKLY develop into an executive in the business world; or will you, after leaving college, struggle along for years in the "school of hard knocks" and possibly never achieve the business success you desire?

In just nine months you CAN prepare! Babson Institute offers you exactly the kind of training you will need most when you are out of college and on your own. Here you may receive a practical and thorough training under the direction of business experts. Here you will learn business fundamentals and gain practical experience in the application of those fundamentals.

Practical Training at BABSON Institute

Students at Babson Institute keep regular office hours. They dictate reports, take part in conferences, and study the fundamental laws of business. Babson Institute is a place for work, not play; for the kind of "brass-tacks" training every ambitious young man wants! The instruction is intensive—no wasted time on trifles.

You owe it to yourself to find out how the Babson Institute Course may provide a direct route to business achievement for you. Send for a copy of our booklet, "Training for Business Leadership" which gives full information. It will be sent without any obligation on your part.

Next term opens March 28
