Gym Team Meets
N.Y.U. In Walker
This Afternoon

Stiff Competition Expected
Against Witzig, Olympic
Star of New Yorkers

When the Gym Team meets N. Y. U. in Walker Gym at 4 o'clock this afternoon, it will be the last game of the season, and as only a small number of boys are on the team, it is probable that the final
score will be very close. Coach Harry will have to select eleven from the twenty-one boys on the list this afternoon, and any mistakes he makes may cost the team its last game.

The Cyclones have played only three games this season and have shown considerable promise. They have won one of these, and are thereby in the race for the championship. The other two games have been against the other regular teams, and they have lost these.

In the N. Y. U. team there are several good players, and one that is sure to be a difficult one is Captain Shattuck. He is a star in the basketball line and is sure to have an effect on the game. The other team is made up of the best players in the Junior class.

The Cyclones have the advantage of having some experience in their games, and the N. Y. U. team has the advantage of having some new players.

McCarthy Shuts
Team For Michael's Street
Feast to Play Guard, Coffey
Forward Against Strong
Vermont Team

In their fifth game of the year, the Engineers will meet the group of St. Michael's five tomorrow night in the Student Union. The game will start at 8 o'clock.

Coach McCarthy announced last night that he intends to use Coffey as a combination in this game. Instead of the usual front at forward, namely, Barney and Coffey, the latter will be shifted to a guard with either Johnston or Brinker playing the other defensive position. Coffey will start at forward and his position at center. By this shift it is anticipated that the Engineers will be able to give the St. Michael's five a real game.

The Engineers have been following the team all season. Scrimmages have been held all week and the team should be in good shape to try for their second victory of the year.

Michael's five is a very well known team around Boston playing most of their games in western New England. The school has a strong junior class and is without doubt the finest performer they have ever produced. The team is scheduled for a tough afternoon.

The Cyclones are in good shape considering their reputation. The home team is without doubt the finest performer they have ever produced. The team is scheduled for a tough afternoon.

TRIP PLANNED FOR COLLEGE STUDENTS

A trip to New York was arranged for the trip of four or five students who have been promised a trip to the New York City Museum of Natural History. The party will leave at 10 o'clock in the morning and return at 6 o'clock in the evening. The students will be entertained by the museum official, and will be shown around the various departments of the museum.

Several students have expressed a desire to go, and the only difficulty is to select the students who will be able to go. The students will be selected by the committee of the trip.

The trip will be a great treat for the students, and will be a good experience for those who have never been to New York before.
