Port Authority is quite proud of the work that has been done and the fact that the company with which they are associated in this work is being recognized in the world for the fine job that has been done. The Port Authority has been able to complete the job on schedule and to keep the work under control. This is a hard job to do, but the Port Authority has been able to do it.

The bridge was opened to traffic on October 1929, and the approaches finished. It is planned to open this bridge early in 1932, at which time the approaches will be finished. The bridge will be open to traffic when it is completed.

It was a popular victory for Jack in the eyes of the gallery for an entire year. Mr. Jack Kent was the champion in 1930, and his efforts in stimulating new interest in the game, as well as his ability as a player, were considered to be the best of his time. He was elected president of the National Professional Squash Racquets Association.
