Feast of Loads Team Scoring in Unexciting Saturday Night Game

McCarthy's New Lineup Is Success for Team Play

In a game that was well played but lacking in style and fast movement, the Technology backcourt dimmed on the bottoms. The score was 8 - 4, and McCarthy claimed the forward to win.

After the former had again assumed the advantage at the last minute and was up one point, M. I. T. went into the lead more by being more responsible than by the gain of the game. Their steady play plus a two point lead will be the key to the team's future.
