BE GLAD
TODAY!

November 10-12, 1933

Discount to Tech Men

The Teahouse

460 Massachusetts Avenue

Dancing, Lodging, Etc.

To the men of M.I.T.

From the Technical Men's Association

we extend our welcome.

The Teahouse is changing its name to

The Dancers

Because the Technical Men's Association intends to

try a new concept of a Lodge in the form of a

dancing school.

The object of the new organization will be to

provide a place where the men of M.I.T. can

meet, dance, and have fun in a social setting.

The Teahouse will offer dancing lessons at

affordable rates and provide a place for

men to socialize and enjoy each other's company.

One of the main goals of the new organization

is to attract more men to M.I.T. and provide

a sense of community among the student body.

The Technical Men's Association hopes that

the new organization will be successful and

attract many members.

We look forward to seeing you at the

Dancing School.

Sincerely,

The Technical Men's Association

Two men were standing in the doorway of a

building, looking inside. One of them said to the

other, "What's going on in there?" The other

replied, "It's just a group of people dancing."

The first man asked, "What kind of dancing?"

The other replied, "It's a group of people dancing

to music." The first man said, "That doesn't sound

very exciting." The other replied, "Well, it is exciting
to the people who are dancing." The first man

asked, "Why do they dance?" The other replied,

"They dance for fun." The first man said, "But

why do they want to have fun?" The other replied,

"Because they are happy." The first man said,

"But why are they happy?" The other replied,

"Because they got married." The first man said,

"But why did they get married?" The other replied,

"Because they love each other." The first man

said, "That's simple." The other replied, "Yes, it is

simple, but it's also very important."
