PROFESSOR ROGERS
JUDGES TECH SHOW

Routine for the Tech Proms will be rescheduled next week according to the announcements made last evening at that promenade. You have much more time yet for a few dollars for redemption, totaling a total of the common. You should decide if you are ready to take advantage of the largest privilege any Tech will have for several years. The Tech Proms promise to be of much interest and excellence for those who will be attending. The Tech Proms will be held in the Tech Clubroom at 9 p.m. on next Tuesday, May 2.

Arthur C. Eaton
ADDRESS C. E. S.

Arthur C. Eaton of the New England team secured the top individual honors in the 1931 National Invitational Tournament of the American Bowling Congress, which was held last week at St. Louis. Eaton was the leader in the tournament, and his total of 6,169 pins was the highest recorded in any major tournament. Eaton also secured the top individual honors in the 1931 National Invitational Tournament of the American Bowling Congress, which was held last week at St. Louis. Eaton was the leader in the tournament, and his total of 6,169 pins was the highest recorded in any major tournament.
