Spring Cold Makes Campaign At Bows a Hard Business

Cold Spring has caused the Junior Varsity team to be shaken up. The team has had several "fallouts" in recent weeks. The "fallouts" have been caused by the close of the river season, the junior's "business" in the school, and the cold weather. The team is now in the process of trying to get back into the swing of things. The team is planning to have a couple of practices this week in an attempt to get back into shape.
