T. C. A. TO INSTALL OFFICERS SUNDAY

Noted Speaker Will Discuss The Place of Religion in Mechanical Age

Richard H. Hall '22, Willis C. North- town '22 and John Bingham '21, the newly elected officers of T. C. A. will be installed Sunday morning at the Tech Cabin by the members of the advisory board. Twenty members of the cabinet and associate members will attend Saturday night in the social hour of the annual banquet. By the custom of the old-timers, Mr. H. W. Wilson, director of the department of Philosophy, will read the Installation address. Installation address will be delivered by Prof. J. W. M. F. Wemple if he is able to be present. The installation will be attended by the newly elected officers of T. C. A., members of the advisory board and the executive committee.

To all members of the advisory board and the students of T. C. A., the newly elected officers, and the faculty members of the department of Philosophy.

The installation of officers will take place at the regular time of the annual banquet, and will be followed by a formal program.

A.I.E.E. To Hold Student Meeting Following Dinner

Students Will Compete For Prizes Offered by Dr. Compton

"The Piezo-Electric Oscillator in the Power Industry" and "Radio in Agriculture" are the subjects of the two papers that will be presented to the Student Branch of the American Institute of Electrical Engineers by two graduate students of the university. The papers will be presented at their annual meeting next Tuesday, 6:15 p.m., in the North Hall of Memorial. Tickets may be purchased from Blue Room in Room 418 or from the members of the executive committee before 9 o'clock for 60 cents.

Professor H. B. Buckingham '11 and Dr. Compton will discuss the papers to the society and individually the competition for the prizes offered by Dr. Samuel W. Strick for the best student papers to be presented during the year. These prizes are $25 for first, $20 second and $15 for third.

Dinner will be served at 6:15 p.m. and following the presentation of the papers a general discussion will take place. All students of electrical engineering and engineering students from other institutions present before the dinner will be entertained by the inn.

Students are invited to attend the dinner and must make arrangements for same four days in advance. The dinner will be held at the annual banquet in the Tech Cabin.

FACULTY TO HAVE DINNER AND PLAY

Students Will Entertain Campus With Muratelli's Comedy "George Danring"

Tomorrow evening at 6:45 o'clock the Faculty Club will give a comedy dinner and Variety Party. This is their annual party, which is held every spring, and will be given this year in the Boston Young Women's Christian Association. The dinner and entertainment will be at the expense of the club and the patrons are asked to be present.

One thousand dollars was raised last year for the Boston-Northwestern football fund last fall. That is what one tax sale was raised for cooperation although no longer received. The faculty club will do the same thing this year.
