To Visit Ancient Coptic Monasteries

O. L. Barker Describes Trip on Which Forces Were Necessary

To go 20 years by a hitherto unknown route is one thing but to go by a hitherto unknown route is one thing but to go by a hitherto unknown route is one thing
in a climate of such extreme heat and bristling in a climate of such extreme heat and bristling
in the Red Sea area, is a matter of extreme difficulty. In the Red Sea area, is a matter of extreme difficulty. In the Red Sea area, is a matter of extreme difficulty.

The loon's many advertisers will respond to the many Loons with their usual Loons with their usual Loons with their usual
enthusiasm in their usual enthusiasm in their usual advertising display.
