In congratulating the winners in the great Camel contest we want to do the same time to thank most cordially the approximately million men and women who displayed their friendly interest by sending in an entry.

Also to thank the millions of smokers throughout the country for the appreciation they are showing for our new Humidor Pack, as evidenced by the notable increase in the sale of Camel cigarettes.

This means of this dust-proof, germ-proof, moisture-proof Gellaphone wrapping the rich aroma and full flavor of choice Turkish and mellow Domestic tobaccos have been air-sealed in Camels for your enjoyment.

If you have not tried Camels in the Humidor Pack all we ask is that you switch over to this brand for one day.

After you have learned how much milder, how much cooler, how much more enjoyable it is to smoke a perfectly conditioned fresh cigarette, go back to the harsh hotness of stale cigarettes if you can.
