Drop 3 to 1 Decision in Fast Game at New Haven

The M. T. T. soccer team put up a great fight against Yale on Thursday at New Haven, but went down to defeat by a 2 to 1 score, in the first game of the season for both teams. Considering the fact that Yale usually wins out of the ten games in the East, Technology played very good, their loss and being scored by Schults, right wing. If they play as much teamwork against Dartmouth next Saturday, they should come through with their first victory of the season.
