SWIMMING CANDIDATES
A meeting will be held for all prospective candidates will be held this Wednesday, October 21, at 7 o'clock in Room 1-298. Several important announcements will be made at the meeting, it is important that all prospective candidates for both varsity and freshman teams should attend.

SIGN-UPS FOR SENIOR PICTURES
Students who are interested in taking advantage of the cheaper cost of taking the pictures at this time may make arrangements with the Photo Service in the Students' Union, the pictures will be taken next Thursday afternoon between 4 and 6 o'clock. They are available for anyone who wishes to purchase them.

PHYSICAL SOCIETY
The Physical Society will hold a meeting on Monday, October 26, at Room 638, Professor Harrison will speak on the subject of physical science.

MUSICAL CLUBS ASK FOR SPECIALITY ACTS
No Special Talent Required of Applicants for Position
Men capable of putting on specialty acts are wanted by the Combined Musical Clubs. Any student who thinks he can present an act that would be appropriate to the type of functions presented by that organization are requested to visit the offices in Room 206. Walker Memorial, any afternoon between 5 and 6 o'clock.

DEDICATE EASTMAN LABORATORY IN RAIN

(Continued from Page One)

As a means of preventing any possible contamination of the ink tubes filled with carbon dioxide, which are used in the articles which it had been previously announced would be sealed to the smoke. The seals were placed in glass bottles filled with carbon dioxide, which was used to prevent future oxidation of the ink.

CHESTERFIELD TOBACCO—both Turkish and Domestic—are mild and ripe, the best that money can buy.

CHESTFIELD TOBACCO is the best that money can buy or that Science knows about.
