**STRESS ECONOMY**

**ADVISES STUDENTS AGAINST ALL UNNECESSARY EXPENSES**

Advising a program of strict economy, Dr. Julian A. Burruss, president of the Virginia Polytechnic Institute, has appealed to all V. P. I. students, their parents, and all connected with the college in an attempt to prevent student funds with all proper care against extravagance. Dr. Burruss states this in an address to the students, by letters to the parents, and by articles in Virginia newspapers.

The students were advised to guard against all unnecessary expenses, not to tempt the pleasures that might be those expenses would represent. The correspondents were given to the attendance of off-town football games, and of other trips that would not be necessary. As a result, the V. P. I. mail in with not make the usual trip to Richmond, nor to the Virginia newspapers.

**TALL OF FOREIGN COUNTRIES AT YOUNG PEOPLE'S MEETING**

Two Technology students, Preston Oldenburg, '30, and Holm Seidett, '26, members of the Department and Meetings Division of the Technology Christian Association, spoke at a combined meeting of the Young People's Societies of the University Church at Malden yesterday. Their subject was "Student Movements in Our Countries." Each speaker described the activities of the students in his native land. Mr. Oldenburg is from Denmark and Mr. Seidett from Germany.

In his letter to parents, Dr. Burruss particularly advised against permitting the students to take trips to the athletic contests. He also requested the parents not to send their sons money for dances, a form of pleasures that he thought had become entirely too expensive.

**PROGRAM OF C.M.C. CONCERT ARRANGED**

All the affiliated organizations of the Combined Musical Clubs will combine their efforts in the coming Fall Concert to help revive Technology's declining extra-curricular activities. Webster Memorial will be the scene of the affair, and the time and date are 8:30 o'clock, Friday, November 6. To stimulate attendance to the concert, the admission has been cut nearly half what it formerly was. It is now $2.50 per couple as compared with previous charge of $4.00.

To give added zest to the program, many special features have been supplied by the management. A number of unusual soloists will be on the program, among these are included a violin cello ensemble, a xylophone rendition, and some vocal selections. As a prelude to the concert, the clubs have obtained the services of the following ladies: Mrs. J. C. Jack, wife of Professor Jack, head of the Naval Architecture Department; Mrs. William T. Hall, wife of Professor Hall of the Chemistry Department; Mrs. Robert L. Riggs. Refreshments will be served during the dancing, and there will be a special entertainment in the intermission.

Chesterfields are different... instead of merely mixing the tobaccos... blending them... creating a new and better-tasting kind of tobacco. That's how we get that Chesterfield flavor. Mild... and a more pleasing aroma.

Cigarette paper? Only the paper that's made is good enough for Chesterfield.
