Attention

Freshman Luminary Scholarships

Your attention is directed to the conclusion of the President of the Technansium Club's annual address, wherein he remarks upon the highlight of the season's activities and the importance of the freshman class. He also advises that the required of maintaining discipline within the walls of the Foundation Hall may require the implementation of strict regulations. The President also mentions the importance of the Freshmen Day Committee's efforts and the Field Day Committee's upcoming activities.

CONCERT TICKETS ARE AVAILABLE IN LIBRARY

Advance Sale Is Scheduled For Week Ahead Of Event

Tickets for the Full Concert and Dance, which the Combined Alumni Club announced for Friday, November 6, will be available for sale beginning on Monday, November 2. Beginning tomorrow, representatives of the committee will be on the lookout for any comments or suggestions about the event.

PARTICIPANTS ARE PROHIBITED USE OF MISSILES IN STAND

KIDNAPPINGS EXPECTED

Missiles which threaten to disrupt the running of the event, as well as the security of the students and faculty, will be prohibited from use in the arena. The police and FBI are on standby, and measures are in place to ensure the safety of all attendees.

PROSPECTS ARE GOOD FOR FENCING SQUAD

Technology's varsity fencing team is facing a challenging year, with a number of new faces in the lineup. Coach Harold R. Bellinson '34 has been named Manager of Field Day, and the team is expected to step into the footsteps of the successful Field Day conscious.

SOPHOMORE RELAY SQUAD FAVORED TO WIN ON FIELD DAY

One of the fastest teams ever assembled represents the Sophomore Year.

YEARLYS SHOW SPEED

Both relay teams for the Field Day Front are expected to perform well, with Coach Oscar H. Halland, after a long wait of careful study, selecting the members of his squad to be presented to the Junior year.
