NOTICE TO STUDENTS

It has been customary at the Institute since 1901 for the Sophomores and freshmen to make preliminary tug-of-war a part of the Field Day. For this purpose the last Friday afternoon is set aside by vote of the Faculty.

Some years there have been unauthorized parades outside the Institute grounds, with the result that the Institute is therefore required to suggest this decision by giving notice that offenders render themselves liable to expulsion.

The Institute authorities have every confidence in the student government and believe that the desire for a tug-of-war in a spirit of sportsmanship and fair play is hereby given at the serious consequences of being involved in any
