1934 WINS AGAIN

Victorious Sophomore Field Day Crew. Left to right: Woodbury, Priggen, Murphy, Cantor, Joel, Mountman, Liloff, Gordon and Manager Leter with Woodball, captain, in front.

No victory without its loss.

The Sophomore tug-a-war team hurls away to a quick victory over Freshmen beef in two straight pulls. Note the facial expressions.

It's cold, but it's customary. The winning cox takes his annual dousing.

See the expression on that annoyed person lying prone in the left foreground. The Sophomores won the glove fight for the first time since its inauguration.

Captain Bell breezes the tape almost half a lap ahead of his opponent and completes a record run for Field Day relay teams.

An interested spectator, President Compton.

The Freshmen and Sophomore crews on the starting line provide a novel silhouette against the morning sun.
