VARSITY SCORER TEAM LOSES TO ARMY, 5-1
Four Goals, In Last Period, Win Game for West Pointers

Playing against a well-conditioned Army team, the Tech varsity scored once in the first half, lost, 1-0, on Antrim Field. The game was tied, 1-1, at 2:30 o'clock. One goal was scored in the last half by each team. Base, outside, and Jim Larson, who scored from Frank Hry, center, scored for the Bears. It was, however, the first half that the Bears have been scored upon in eleven games.

In the last half of the game, Tech was fast and clean. The Bears played stiffly from the start. In the second half, the紫外线 Tech varsity was out on its best foot, while their opponents were still going strong. This period was played under floodlights and this may have handicapped the Engineers so they have never played under such conditions. Tech made one substitution during the whole game, and the Army made two.

Diedrich, Ed; McLaughlin, Bill; O'Connor, Joe; Larson, Frank; Hry, John; Tom, Jim; Barron, Bill; Hadley, Jim; Gray, I. G.; Friedmann, A. J.; Munch, J. C.

ECONOMICS LIBRARY
Beginning this week, the Library in Room 2-200 for the department of Economics. Library in Economics will be open on Tuesday and Thursday evenings until 8:00 o'clock.

FIELD DAY TUG-O-WAR TEAM
Taeled for the first time in this con, through as well as in the mile and in the mile and a half. Without Moody, the jumper will probab lie to Mr. W. H. Ward, the manager of the game, is expected to be good stuff in the weights and may be expected to do well in the long jump.

There is likely to be little in the pole vault that can be forecast, as the entry list is small, and it is not yet known who will compete. Dick Morse and Ed Pierce are the only two men to have entered the event, and it is expected that the next move in the matter will be made by the Institute authorities, who will direct the entry of the other men who will make the list of competitors.

COMISSIONED OFFICERS, 1931 SPORTS NIGHT

We are notified that the Institute Commission has voted to have the sports night only once in the year. The committee was much occupied with the matter, and the Executive Board was under the impression that the next move in the matter will be made by the Institute authorities, who will decide whether Open House Day will be held on this year's schedule.
