President Compton
To preside at Open Meeting Next Week
Prominent Social Worker Will Be Present to Speak to Students
President Karl T. Compton will preside at the Open Meeting of the Faculty, to be held on December 18, at the Faculty Club at Harvard, at noon. Miss Margaret L. Bourne, Secretary of the Y.M.C.A. for eleven years, will address the faculty on the subject, "Building a Nation.

Mr. Bourne has long been prominent in educational circles and has been a very active member of the Y.M.C.A. for many years. She is the author of many books and pamphlets and is the editor of "The Student Worker," a periodical published by the Y.M.C.A. of Los Angeles.

Strengths to Play for Faculty
To arrange the details of the meeting, Mr. Compton and Dr. H. W. E. Fiske, Professor of Chemistry, have been chosen as the members of the Faculty Committee.

A.E.I.E. Lecture
Given Thursday for New Men
A free lecture and dinner, especially for freshmen and Sophomores, will be given on December 18, at 6:30 p.m., in the Student Lounge of the A.I.E.E. The lecture will be given by Mr. E. E. T. Smith, '31, A.E.I.E., the President of the A.I.E.E.

The lecture will be on the subject of "More Power to You," and will be delivered by Mr. Smith in the afternoon of December 18, at 6:30 p.m., in the Student Lounge of the A.I.E.E.

The lecture will be open to all members of the A.I.E.E., and will be followed by a dinner in the Student Lounge of the A.I.E.E.

Basketball Squads
Progress Rapidly
The Technology varsity basketball team is progressing rapidly in practice for the first game of the season, which will take place on December 20, against the Navy. The team consists of the following players:

Center: James F. Root, Fenton, and Talbot.
Forward: Walter Wrigley, Paul Gerhardt, and Johnny Barrett.
Back: Ellery Clark, Jack Kearns, and Bill Mitchell.

The team is practicing daily, and is looking good for the first game of the season. The forwards are working hard to improve their shooting, and the backs are doing a good job of blocking and guarding.

New Map of Boston: Placed At Medical Library
There has recently been placed in the Medical Library of the Harvard Medical School a new map of the City of Boston. This map is of the greatest interest to the medical profession, as it shows the entire city of Boston, including the suburbs, and is of great value to the medical student in his studies.

The map was made by the United States Geological Survey, and is a valuable addition to the library collection. It is a large map, and is of great value to the medical student in his studies.

Baton To Sponsor Dance For Clubs
In acknowledging the response for a baton recital, the Baton Club, the sponsor of the baton recital, will hold an informal social in the lounge at the Hotel Newell on December 21, at 9:00 p.m. The program will consist of a baton recital, followed by a dance, and the program will be closed by a lecture on the subject of "Dance for Clubs." The program will be followed by a dance, and the program will be closed by a lecture on the subject of "Dance for Clubs."
