COACH SUMMERS ENTHUSIASTIC OVER PROSPECTS OF A HARD SCHEDULE

PLANNED TIMES FOR OTHER PLAYERS

The varsity is looking forward to an enjoyable season. The varsity, under the direction of Mr. Zollars, will have the use of the Memorial Gym, where they will train. The freshmen will start a week later.

Mr. J. McHugh, Unc., captain of the squad, has raised the standard of the game here. As coach of the squad, he has secured the use of the Hangar Gym, where they will practice.

The varsity plays their usual starters against Newport Naval on December 5. The freshmen will have their workouts in Walker Memorial.

FAIR CHANCE FOR VARSITY

The story centers around a young composer, who becomes successful in art and marries the girl of his choice, who is his sweetheart. The girl's father, always looking on the financial side, finds it impossible for him to marry his dear daughter. The plot is a bit slow, but familiar, and the love interest portrayed on the screen is delightful. The hero finally wins when the composer writes a great symphony, and marries his dear one. He then becomes a world-famous maestro. The story is well-carved, with some new angles, but very familiar; the plot is a bit conventional, but this does not detract from the story.

It is the same old story, with some new angles, but very familiar; the plot is a bit conventional, but this does not detract from the story.
