T.I.RLS HELD FOR RELAY TEAMS SHOW BRIGHT PROSPECTS

Abundance of Material on Hand for Three Two-Mile Teams

As a result of the trials held last Sunday among the freshmen, Coach O. C. Hendrick found that there is not only material for his distance teams but also some very promising material. There are ten or more men on each of the three two-mile teams, and of these six were members of last year’s unit. The other four were members of the freshmen team of the Class of 1934.

Leading veteran of the teams is Johnny James, Bill Hall, and Ruby Rose. Of the thirty-mentioned men, these four are the only ones to have a full season of cross country track unsullied by illness.

Last Year’s Freshman Team

Comparison is, however, made with the addition of five freshmen. Earl Lockhart, Walter Whitley and Charles Hall, who have come from the class of 1931, find that these have a much better chance of success, and that the team is much more likely to keep its promise on the track.

T. C. A. Activities

The T. C. A. is planning to substitute track or basketball for baseball this year. The baseball team of the T. C. A. has been playing a good game and will be a formidable team. It is expected that this year’s team will be just as good if not better.

V. H. D. B. Calendar

January 13, 1933

6:15 p.m. - Alpha Chi Sigma informal meeting in Betty Living Room of Walker Memorial.

Options Offered to Freshmen in English Courses

Only a few men who aim to make it are likely to keep them up. As a matter of fact, few even show the slightest interest in the work. This is the case in the school where I teach, and it is the case in all schools where the work is rendered of the above kind.

The Lounger has to give up any and every sweet sauce, but . . . Chippy and Bill are building. When they need a new - since she is the recipient of a big bag. If Chippy and Bill are together, they get all the effects of a work without the expense. They are very careful to do all the work in their own house. Better be careful, boys, or your lives will be a burden.

In the stage that great little champion, Miss Jones, is back on the track. Her performance showed why she was chosen for the University's track team. In the close race she gives her best efforts and is sure to win.
