INSTITUTE ENTERS FIRST UNIVERSITY CLUB INTERMEET

ENGINEERS WILL COMPETE IN CLASS "A" "HARVARD ANNUAL SERIES OF GAMES"

BELL PICKED TO WIN

Fast Technology Sprinter Will Vie With Swiftest of Undergraduates

Competing in "Class A" division, the Beaver track team will enter against Yale and Ohio State in the first of the University Club Games to be held in the Boston Garden. The meet was to have taken place tomorrow evening at 7:30 o'clock in the Garden but all but a few of the events which will be held previously in the after- noon at Soldier's Field in Cambridge. This meet is the first of a series which is hoped by University Club officials to make athletics a little more affable. The one-and-undergraduate meet to be held in Boston are the only legitimate track meets, competing, being divided into classes. If the meet goes well the University Club is hoped to continue them, making them from it to the Boston Garden.

Event in Games

Seven events are scheduled to take place at the Garden, being the 44-yard dash, 44-yard high hurdles, 1000-yard run, mile and mile relay, high jump, pole vault, and the shot put. The expected Harvard events in the Cambridge will be the broad jump, the high jump, and the shot put. The mile run should see a good weight- throw. Though the Institute's star dash man, will be in the 60-yard dash and is considered the likely winner, he will not have a fast opponent in R. D. Wheeler of Springfield, who is also a 3:5 man. The expected Harvard mile runner in this event will be Charles Hill, R. B. Kinsland, and Willard, the favorite by a choice of Coach Olgar, is the 44-yard dash, but he will not have a chance in the first place in the N.S.A.A.D., and his run- ning was limited to the R.A.A. games.

Record in Hurdles

In the 44-yard high hurdles last week in a Cambridge meet, Edward F. Moran of the Ohio State, earned a record of 6.6 seconds, and it is thought to be in the records for the 600-yard dash.

John G. Barrett should land among the leaders in the pole vault but it is thought he will take his fall in the record set by Holy Cross and Harvard.

BRAWN

The Beaver Brawns will meet the Engineers in the New England Intercollegiate meets held near New Haven. The M.E.'s are said to have a strong team, and the M.E.'s boys aren't up to their usual standard.

Two not-so-difficult games face the hoopsters this weekend. Tonight they will take on the Baby Bows of Union College, and tomorrow they will play the Oberlin College, which has constructed several new buildings in the College. The game is to take place at 1:30 o'clock.

The Boston Garden. The meet will take place at the Garden, being the 50-yard dash, the two-mile run, and the one-mile relay.

SQUASH TEAM MEETS YALE AT NEW HAVEN

Signups For Emerson Cup Tournament End Next Week

After watching Yale's squad men perform in the Intercollegiates, the Tech- nology men have decided that they can turn them back when they meet this Saturday afternoon at New Haven. The Engineers have shown a remarkable improvement in the last few weeks. In its first Intercollegiate match of the season they gave Trinity a tough game, and were actually the better team in the early stages of the match. The Engineers have not played Yale this season, but the Engineers should be able to hold their own against Yale.
