FRATERNITY CHAMPIONS LEAD ALL THE WAY TO WIN, 20-15

Nichols Hall, winner of the dormitory basketball championship, failed to defend its title they won as easily last year, and went down to a 20-15 defeat before the onslaught of an exceptional Sigma Chi team which had previously won the Interfraternity Conference tournament. The game, an essential affair, was played in the Hanes Gym last Saturday evening. The scores led, 19-8, at half time.

Vickery was the leader for the fraternity crew, sliding four baskets and two free throws for ten points and leading both teams in scoring; Rust, at the other forward position for Sigma Chi, made four. Joe Wetherell, center, and Jack Lynch, with eight and five respectively, led the losers.

The summary:

Nichols Hall: Vickery, 10, Rust, 4, Wetherell, 8, Lynch, 5.
Sigma Chi: Rostron, 12, Coon, 10, Brosnahan, 4, Hickey, 2.

SIGMA CHI VICTORY

track team has informal meet

Saturday's warm weather brought out so many runners that track coaches Holland and Bowling decided to put on a hurdles meet. As a whole the hurdles came through in fine order. However, there were a few upsets which brought some newcomers to the foreground.

Greene won first place in the 40yard dash, just barely nosing out two other runners. Colly and Hagerty, Wighty and Lockhart placed fourth and fifth respectively. The time was 6-2-5 seconds.

Jack Lynch beat Coon to the tape by three inches to take first place in the 120-yard low hurdles in 13 seconds flat. Lockhart, Colly, and Pierce took the next three places.

Coon came back to take first place in the 60-yard high hurdles. His time in this event was 8-4-5 seconds. He was closely followed by Cooney, Rice, Lockhart, and Bartlett.

Biological Meeting

There will be a meeting of the Sedgwick Society in the competition for the Stratton Gold Medal, and the Sadie Hall, winner of the dormitory prize. There will be a short business meeting followed at 8 o'clock by a presentation of student papers in a competition to select the student to represent the college in the competition for the Stratton Medal. A social hour will follow. All interested are invited to attend.

Tuesdays, Colly and Hagerty, Wighty and Lockhart placed fourth and fifth respectively. The time was 6-2-5 seconds.
