Many Novelties Feature Annual Spring Concert

The Combined Musical Clubs will present the last big event of the school year in the form of the Annual Spring Concert and Dance, on Friday, April 29. The dinner will be served in the Main Hall of Walker Memorial and is scheduled to begin at 6:00 o'clock.

Several nominations have been gathered as features of the final "big time" event by the undergraduate student body. The itinerary of which has never been settled in any of the Musical Club's events, is, in fact, a novel arrangement of a number of events which will be staged at tables after the fashion used in art clubs. This arrangement will replace the old method of placing the audience in rows of chairs, the audience is expected to make the affair more congenial.

Dancing Until 3 O'clock
Refreshments will be served at tables throughout the Concert and the entire evening will be a serviceable entertainment. It is expected that the dancing will begin between 1:00 and 3:00 o'clock and will include all Federal style and the society dances which proved so popular last year. The Concert will end at 9:00 o'clock.

President Compton Speaks Before Men Of Science In South

The Institute of Technology Class "A" activity, with all the arrangements will replace the old method after the fashion used in night clubs. This arrangement will replace the old method of placing the audience in rows of chairs, the audience is expected to make the affair more congenial.
