VARSITY STICKMEN
LOSE SIXTH GAME
Are Shellacked By Navy, 24-0,
After Tufts Triumphs
By 6-3 Score

Six straight defeats is the unwelcome record of Technology's varsity lacrosse team. Last Wednesday afternoon the stickmen played a fighting game against Tufts at Sheddor, but were the victims in several bad breaks and lost the decision by 6 to 3. Thus last Tuesday they traveled to Amoskeag and absorbed a terrific beating from the crack Navy team. The final score of this tragic match was 24 to 0 in favor of the Midshipmen.

In the Tufts contest, the Engineers gave a good account of themselves, but the Jumbos were quick to grab any scoring chances that came their way. Captains Taney Ring of the Medford school was the game's outstanding star, setting four goals. Ludemann, Aesch, and Sysko scored for the Ravens.

Navy Game Complete Run
Saturday's game with the Naval Academy was a complete rout for the Institute stickmen, who were playing without the services of several stars, notably Etzkofski and Sysko, the latter being out of the game with a cherry knee. Although the entire Navy second team was in during the second half, the Beavers offered but slight resistance to their efforts. The borders of the Midshipman's bombardment was led by goalie Roger, who resisted nearly thirty threats during the game. The Engineers only opened up Navy territory about five times, and despite the rest of the time the play was entirely in their own zone.

Freshmen Furtel to Andover
Technology's freshman team, which was to have opened its season last Saturday against Andover, was forced to cancel the match because less than one full team reported for the trip.
