HOLMS (The Sea Gull)

Next again the producers labeled the work of John Barrymore as that of a "new one through it and made an imprint in the drama we have had a picture for Mr. Barrymore to present.

To a democratic people a proposal that a single group dictate politics sounds aristarchian. So far democracy has proved equal to the tasks assigned it; policies vary. As for the Institute, in admitting the College year, except during the College vacations, enter'acts.

One of our contemporaries specifically charges that the colleges have a plethora of dry lecturers, but have no one to present the effectiveness of the production. Painted on a background of a gathering of Russians and the Irish, but it is all very convincing to the original play. It looks nearly the entire free to find the time to perform, but once in, the second scene drags with the infatuated realism, made interesting by the high staging and directing contributed much to the effectiveness of the production. Playback noted as Nina, though not among the effectiveness of the production.

A picture of frustration and of unremitting love running into many characters painted on a background of a gathering of writers and actors marks the m듯

We know why men smoke PIPES

WOMEN don't smoke pipes, They're not the style for wom en. But pipes are the style for men, and more than that, a pipe and good company makes a man greater. Smoking please pipe than tobacco in any other form. In 40 out of 54 American colleges and universities, Edgeworth is the favorite pipe to smoke. Cool slow-burning butyline gives this fine tobacco exactly the character that college men like best of all. Try a tin of Edgeworth yon
to! You can buy Edgeworth whenever good tobog is sold. Or if you prefer, you can get a special sample pocket free: write to Larne & Bro. Co., 105 S. 25th St., Richmond, Va., and ask for it.

Fowl. Use R.O.T.C., don't let the gag about the new groups who participated in the stirring events, those years were as a nightmare, never to be forgotten, and if possible never to be repeated. This end there have been numerous peace conferences, numerous attempts, and, lately, a numerous conversation of all which have been remarkable for their lack of any very definite

The attendance at these is not always indicative of intense student interest in the topic being discussed; perhaps the Technology man is too busy to be worried by problems of State ownership and such.
