Two Dorm Men Report

What Transpired When

The Freshman Tech Corps

The Freshman Tech Corps... - Continued on page 2B-6

Back to the Dorms

Two dorm men reported what transpired when they removed a新生 from the dormitory bedroom. The two dorm men were investigating a report of a break-in when they entered the dorm and discovered the dormitory had been burglarized. The dormitories were later reoccupied by the dormitory residents.

Dr. John R. Scudder

Dr. John R. Scudder has been appointed as a professor of electrical engineering at the Technological Institute. Dr. Scudder has been associated with the Institute for many years and has made significant contributions to the field of electrical engineering. He is a member of the American Institute of Electrical Engineers and has published several papers on the subject.

Dr. Scudder will take up his duties at the Institute on January 1.
