PRESENTS REPORT OF PETITION COMMITTEE

Student-Faculty Curriculum Committee's Report To Faculty Given

Below is the report of the Student-Faculty Curriculum Committee, which investigated the matter of the Military Science course. It will be considered at the next meeting of the President of the Institute several months hence in a group of courses which it is hoped will be introduced to the Faculty. The decision of the Faculty, as announced in late Friday's issue of THE TECH, was that the course be dropped.
