CARL'S AMENITIES
...and raw tobaccos
have no place in cigarettes

They are not present in Luckies
...the mildest cigarette
you ever smoked.

We buy the finest, the very finest tobaccos in the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom MILD"—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the word—"It's toasted". That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

"It's toasted"
That package of mild Luckies

"Nature in the Raw" is seldom MILD
