he was expelled from the College of the City of New York for leading a rebellion against this training was quite evident in explaining his stand. Broad, not bare, is the major problem of today, he asserted.

Continuing, he said that inflation has always been the weapon of every dying capitalist party, by which it may throw the burden onto the working class — and that inflation is to be feared in the imminent future. He also said that the socialist party would, as it has in Germany, provide a bulwark against the people for fading capitalism.

Pledge Lists
In consideration of the fact that a number of freshmen have added to their pledge lists since THE TECH published results on October 5, the names of those pledging since that date will be printed Wednesday, Oct. 19. Lists must be in THE TECH News Room by 5 o'clock the night before.

CHESTERFIELD

there is no harshness — no bitterness.
They are made from ripe, sweet Domestics tobaccos and
the right amount of Turkish. The taste and aromas are just right.
