Dramashop Finishes Five Successful Years On Presenting "The Pigeon"

Has Produced Eight Full Length, Three One-Act Plays In This Time

The approach of the presentation of Dramashop's new play, "The Pigeon" takes us back to the Fall of 1928 when the organization had its inception. Since that time the financial condition of the society has been nothing but the best, the smallest event never having shown a deficit. Up to the present time eight full-length plays have been staged, and a number of short, one-act productions. The club was originally organized not to produce plays, but simply as a means of enabling men interested in the theatre to get together in an informal manner and discuss their common avocation. It was not until a year after its inception that the idea of staging a play was brought up, and in December, 1929, Eugene O'Neill's comedy, "The Ha'penny," was presented to the public. Following the success of this, financial and otherwise, it was decided to continue the experiment. In the spring of the following year the second and third Tobacco Night programs were held. "At the Signs of the Greasy Gral" was put on the stage, two one-act plays having been produced earlier in the year on Open House Day with singular success. Another attempt at one-act plays was made in conjunction with the Tech show of 1930. It was a burlesque farce, "Anton," by Holland Hudson.

The "Pigeon"

Or other dramas which have been produced included the following: "The Showboat," a comedy by George Kelly; "The Belle of New York," a smash of Irish origins; "Marriage," a Russian farce by George Kukhman, and "Georgiana Dundie," another farce by Millay; "Mr. Antimes," a comedy by Booth Tarkington; and "The Queen's Husband," a farce by Robert Sherwood.

Newsmen Enjoy Informal Affair At the Plantation Last Saturday

Reporters of THE TECH rallied round the dinner table at the "Old Plantation," but Saturday evening, to express their congratulations to all the newsmen in the noble trade. "The Plantation," was a one-act play having been produced earlier in the year on Open House Day with singular success. An attempt at one-act plays was made in conjunction with the Tech show of 1930. It was a burlesque farce, "Anton," by Holland Hudson.

Nebraska At the Plantation

The first meeting of the Technology Branch of the Western Pennsylvania Alumni Club was held Thursday night, November 12, at the University Club. President V. L. C. H. Lowder, H. L. Hillman, and J. C. D. B. Morey were elected to the council of the club.

Dr. Bush Will Talk At Technology Club

Western Pennsylvania Alumni Club is Host of Vice- President

The first meeting of the Technology Branch of the Western Pennsylvania Alumni Club for the 1932-33 season will be held Thursday night, November 12, at the University Club. The speaker will be Dr. Vannevar Bush, President and Dean of Engineering. He will bring to the meeting a wealth of interesting information concerning the Institute and its affairs. Although Dr. Bush has not announced the subject of the talk, it is known that it will cover many matters of general and special interest to Technology Alumni.

First Swimming Team Practice

The swimming team will have its first practice on Wednesday afternoon at 4:30. The practice will be at the University Club Pool.

Fine Clothes Cut and Tailored By MBL REESE COMPANY

"Made to Your Measure, Fully Guaranteed", will be the slogan of the Management. It will be a new departure in the history of the fine clothing business. Mr. Reese, the head of the concern, has been a prominent figure in the clothing business for many years. He is well known for his good taste and fine workmanship. He will be glad to assist you in selecting the clothing that is just right for you.

The following are just a few of the things that he will do for you:

1. He will take your measurements and make a pattern to fit you perfectly.
2. He will send you a bill of the materials used and the labor charged.
3. He will inspect the finished product and make any necessary alterations.

All work guaranteed to your satisfaction or your money back. Call on Mr. Reese today and let him prove to you that he is the man for you.

Final Score Is 3 to 1; Goals By Brockmann, Stone, Kiddi

Outplaying the opponents throughout the entire game, Technology's soccer team won its first victory of the season by defeating Bridgewater Normal 2 to 1. Fordham, Kiddi, Stone, and Breckmann played fine games for the home team, while Nagle suffered for the losers. The Engineers' record in new one victory against three defeats, and four goals scored against nine for the opponents. The line-ups for the two teams follow:
