E. C. Johnson, Former Chairman of Boston Unemployment Campaign, Talk

Discussing the various fields of industry that appear to be of most promise for future employment, Mr. E. C. Johnson, former chairman of the Boston Unemployment Campaign, will be the guest speaker at the first dinner meeting of Corp. XV on November 3 in the Banquet Hall of Hotel Brunswick.

At the dinner next Tuesday—election of officers for the coming year will be held.

Five Swimmers Work at University Club

Swimming practice will officially get under way at the University Club pool in Boston this afternoon at 3 o'clock. The twenty-five freshmen who substituted this sport for Physical Training are especially urged to attend, since any absence from practice must be made up in the regular Walker gym classes. These practices a week are the requirement for a passing grade in P. E.

Swimmers are also urged to report early to the pool, which is located at Stuart Street and Trinity Place in Boston. Dining privileges for the varsity will be especially welcome, since Lyke, last year's star performer, and the only good diver on the squad, has graduated. The coaches are Max Untracht, varsity, and Richard H. Skinner, "21, freshmen.

FIVE MANAGERS AND ATHLETE AWARDED

Towards the end of the season a number of awards were voted to the principal members of the swimming team and the tennis team.

The annual awards to the men, women, and teams were the principal items of business transacted at the meeting of the Advisory Council held last night.

Syntax Moore, '34, was awarded $50 for his performance at the spring intercollegiate last year. Managerial awards were made to Charles Wood, '33, football; Robert Shank, '33, rowing; Francis Doyle, '33, equal runners; Walter Dunne, '33, soccer; and Calvin Moir, '33, gym team.

Athlete Awarded the Choice of 10-275

The approval of awards to one athlete and five managers were the principal items of business transacted at the meeting of the Advisory Council on Athletics held last night.

Theodore Bihnich, '34, was awarded $50 for his performance at the spring intercollegiate last year. Managerial awards were made to Charles Wood, '33, football; Robert Shank, '33, rowing; Francis Doyle, '33, equal runners; Walter Dunne, '33, soccer; and Calvin Moir, '33, gym team.

Dr. S. F. Dellenbaugh Speaks On AC Power

Was Professor At Technology; Now President of Delta Co.

Dr. Francis S. Dellenbaugh, formerly a professor in the Department of Electrical Engineering, will speak at a meeting of the Radio Society to be held on Friday at five o'clock in Room 10-251. He has chosen as his subject "The design of rectified alternating current power supplies." He has treated this subject lately in print, and it is particularly enjoyable to talk on it, being a prominent electrical engineer and head of the Delta Manufacturing Company.

Charles M. Backus, '25, is the technical chairman of the meeting. He is particularly qualified to talk on the topic, since Mr. Johnson's experience has been in the design of rectified alternating current power supplies as well as the design of rectified direct current power supplies.

No raw tobaccos in Luckies—that's why they're so mild.

We buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest cigarette. The fact is, we never overlook the truth that "Nature in the Raw is Seldom Mild"—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purifying process, described by the words—"It's toasted." That's why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

"It's toasted." That package of mild Luckies.
