Leo Reisman's Music For Military Dance

Two Hundred and Fifty Couples Expected at Pledging Ceremonies

Léo Reisman's orchestra will furnish music for the Schaabord and Brake dances to be held in the Walker Memorial Thursday, November, 4th. From 9 o'clock until 2 a.m.
An extensive system of decorations for this dance has been worked out.
The Walker Memorial will be decorated with guns and sabers in mil-
tary fashion. Flags of all nations will be hung from the balconies. An attempt is being made to obtain two French F-15's, which are to be seen in front of the Memorial. Captain Louis-
ian Charles E. Quick, 33, is in charge of all arrangements.
The pledging ceremony of the new members of the Schaabord and Brake will take place on this night. The tickets en-
tered only at least two hundred and fifty couples.
The efforts of the dance committee to get the best pos-
sible orchestra for the occasion was successful, which guarantees an ex-
ceptionally good evening. Tickets are
$2.00 per couple and may be obtained
from any officer of the freshmen
