FRESHMEN CAPTURE INTERCLASS MEET

Freshmen Tally 84 Points to Win Annual Fall Interclass Track Meet

Filing up a total of 84 points the freshmen track team completely ousted the upper class rivals to win the annual fall interclass track meet by a large margin on the Tech Field Saturday afternoon. Second honors went to the Sophomores with 48 points, while the Juniors scored 42 points to finish far ahead of the Seniors who had but 11 counters in their favor.

In spite of the condition of the track which showed up the runners consid-
erably and made it difficult for those participating in the field events, a commendable showing was made by everybody.

The points of the classes as scored in the events are tabulated below:

No raw tobaccos in Luckies
—that’s why they’re so mild

WE buy the finest, the very finest tobaccos in all the world—but that does not explain why folks everywhere regard Lucky Strike as the mildest ciga-
ette. The fact is, we never overlook the truth that “Nature in the Raw is Seldom Mild”—so these fine tobaccos, after proper aging and mellowing, are then given the benefit of that Lucky Strike purify-
ing process, described by the words—“It’s toasted”. That’s why folks in every city, town and hamlet say that Luckies are such mild cigarettes.

“It’s toasted” That package of mild Luckies
