Over Thirty Candidates Turn
Out for Every Practice

Technology's hockey season is suc-
Easily getting under way at 
Campus, and Coach Vic Duplin
report that the attendance has been
very satisfactory. Over thirty men
have reported at each of the five
practices, even though the sessions
are held from 6:45 to 7:45 o'clock

It was expected that the team would
suffer considerable loss through the
Graduation of Tom Bogan, last year's
first-string forward line, and of
J. B. McLean, who was also first string;
but Coach Duplin believes that the members
of last year's freshman team, and
certain players who were ineligible then,
will at least compensate for them.

Members of last year's varsity who have
reported include Captains John
Brown, Frank Million, Fred John-
son, Roger Williams, Bernard Lency,
Val Bremwood, Jim Raygo, and George
Hollins. Million has developed into
a good goal, and should fill White-
ton's place very well. Harris will be
ready for his third year of hockey work on
last year's defense.

Scribes of the team include Ead. Carney,
Hart Jenkins, Dave Matthew,
Edward McClaren, and George Fox,
who last year were ineligible but are
officially represented by Edko Syl-
vestre and George C. H. Morgan.
Sylvestre is a player of exceptional promise and his fa-
ors are outstanding.

Duplin Express Confidence

Coach Duplin is confident of getting a 
well-balanced line on the ice, and one
which will be a pair in the class in
this year.

The team have yet to go on the
ice. They have been practicing stills
handling in practice at Smith Gym.
Cray, who is not yet ready to try out for the
team. Practice is on Saturday after-
noon and Tuesday and Thursday from
3 p.m. to 5 p.m.

The team will be interested to hear
that an arrangement has been made to have a radio in the 
Hockey room tomorrow afternoon, in
