As we Like It

THE SHUBERT THEATER
"Face the Music"

If you have even a vague recollection of the goings on in politics in our great metropolis of New York reported in numerous publications and even more numerous conversations, and a faint remembrance of "Hello kids", you would undoubtedly enjoy the singing, striking satire on New
politics that is playing at the Shubert. Irving Berlin and Mervyn start in "Face the Music" have not booted up yet, and your children will probably agree with you. It is a
time we could see a slight advantage
But now that advantage of Mil-
and the introduction of the tin-"edilette who have an idea of the
recess of our minds for a substitute
for that dreary old
But and ake, and that fond motion has taken place.
We have daily occasion to walk through the backside of Buildings 1 at three o'clock, just as the Freshmen
were the beery twain, or
and the breeches and put-
time we could see a slight advantage

With some of us it was a beautifully
 diagnosable case. We were afraid
In common with many of toda,
