

**FRESHMEN TO GIVE BONFIRE FOR TIES**

Marky Resumption of Ceremony By Fire Started Five Years Ago

Freshmen will burn their ties in a bonfire on next Monday, it was announced last night. In this ceremony, which began five years ago, the bonfire was held on Saturday night after the prom, and the *Technos* will continue in this way every year.

By the time that the freshmen have reached the designated spot, there will be a bonfire under way, around which they will gather in groups. After the ceremony, the four-odd courts will be held at the flames. The whole procedure is expected to take about half an hour.

In 1928, the first year that a bonfire was held, every elaborate program was carried out. The bonfire dances had a band to lead in its progress. This year W. Stanton gave an address to the men of the class, and a group of the class members formed a group of the Prom girls.

**DEMAND FOR FOREIGN STUDENTS**

By Fire

Election of officers of the student club is the annual business of the club. The club was formed in 1924 and is the only such club in the country that is organized.

The club is the only such club in the country that is organized.

**PLANs COMPLETE FOR SENIOR DANCE**

Sammy Liner’s Orchestra To Play Musical Number of Tech Show

Finale plans and preparations were in progress for the grand dance which is being held on Friday night at the Hotel Norwich. The music is being arranged by Sammy Liner’s orchestra, which is under the direction of theiets.

The last chance to obtain tickets will be Thun-

day from 11 to 2 o’clock.

**ARRANGE FULL WEEK-END**

According to a statement made by the Junior Prom Committee, last evening, the committee has decided that it does not wish with any other activity to function in Waller on the evening of the Prom. The reason for this is that there is the wish of the committee that the patrons of the prom be not confused with the other activity which is the same atmosphere.

Also, it was decided that the ma-

jority of the students who plan to pre-

sent the theatre on the same evening will be unable to attend the theatre on the same evening. The committee, by their action, is in the wish of all students, and the other activity is being postponed to that afternoon.

The committee anticipates a greater attendance for the theatre on the date mentioned.

Corporation Will Finance Tea Dances the Following Afternoon

**WRESTLING TEAM VICTORIOUS OVER NORWICH MATMEN**

Scores First Victory of Year

By 231 to 41; freshmen lose to Tarboro

Showing greatly improved form in the final match of the season, the wrestling team won its first victory of the year against the Norwich Matmen by a score of 231 to 41, on Tuesday night. The matches were on the Norwich matmen and the Tarboro matmen.

**LIFE OF PROFESSOR**

Disappears on Charge For-Tickets

Because of a disagreement in the budget, the student committee will hold a special meeting of its members at 2 o’clock in the evening on next Monday.

The meeting is on the subject of the charge for the tickets, and more regular meetings this term, called by the student committee, may be held by the committee.

The meeting is expected to be attended by the student committee and the Institute Committee, and possibly the firemen and the police, and possibly the Sheriff.

This budget as approved by the Inte-

This budget as approved by the Institute Committee, specified by a price of $2.00. The Prom Committee did not agree with this charge, and the effect that the charge would be eight dollars for each couple, as was stated in the TECH last week.

**METING IS CALLED ON PRICE OF PROM**

Institute and Prom Committee Disagree on Charge For-Tickets

By Fire

Election of officers of the student branch of the Society of Automotive Engineers will take place at their business meeting to be held next Monday, in Room 3-270.
