ATHLETIC FINANCES REPORTED SOUND
Condition Result of Student Control of Institute Athletic

Outstanding in its field, T. C. A.'s Athletic Association, the alma mater of this in the country whose financial condi-

tions have been going strong, has learned at the monthly dinner and morning of the Advisory Council, held Tuesday evening at the Harvard Club, 2 Commonwealth Avenue.

According to an informal statement made by Dr. Allen W. Furman, secretary of the Advisory Council, this condition is

because of this policy, our Association

Bears the brunt of the expenses of the sports, which are, approximately, one-third the total expenses of the whole.

Also discussed at the meeting was the advisability of continuing the policy of making the students that the expenses of the sports, while not as high as the total expenses of the whole, are still considerable.

The show is a full length musical production to be produced sometime in the middle of March. Many parents have been on for several weeks and have been looking forward to it.

The plot concerns a certain number of the Chemical Engineering Department, who are not well acquainted with their fellow students, who suddenly get to know each other.
