DEAN PRESCOTT ANNOUNCES THIRD STRATON PRIZE

Contest Started In 1931 By Former President of Technology

PRIZES AMOUNT TO $100

According to a recent statement by Richard F. Warner, '33, chairman of the student committee on Stratton Prize, the prizes will be given to the three best mem-

bers of the course, as determined by the committee. The contest, which was established by Stratton, is open to all undergraduates of the class of 1933 in the year of the contest.

The contest is divided into two parts. The first part, which is known as the "Invention Contest," requires the submission of a plan for an invention that meets certain specifications. The second part, which is known as the "Essay Contest," requires the submission of an essay on a topic related to technology or innovation. The essays must be submitted by the end of the year, and the winners are announced in the fall.

Professor Warner emphasized that the contest is open to all undergraduates, regardless of major, and that it is an excellent opportunity for students to express their ideas and creativity. He encouraged all students to participate and to submit their entries by the deadline.

The prizes for the contest are as follows: first prize of $50, second prize of $30, and third prize of $20. The winners will be announced in the fall, and the winners will be presented with their prizes at a special ceremony.

WILLS WINS AWARD WITH HOUSE DESIGN

Institute Graduate Gets Gold Medal For His Creation

Royal Harry Wills, a graduate of the Department of Architecture at the Institute, was recently awarded the gold medal for his small house designed for the 1932 national competition sponsored by the Architectural League of New York. The presentation of the medal was made by President Roosevelt as honorary chairman of the competition.

The house, which is designed for a single person, is characterized by its simple and functional form. It is constructed of wood and features a minimalistic design that emphasizes the use of natural materials. The house is equipped with all the necessary amenities, such as a kitchen, a bathroom, and a bedroom.

The house design is a testament to the talent and creativity of Wills, who graduated with honors from the Institute's Department of Architecture. The gold medal is a recognition of his exceptional achievement in the field of architecture.

SIGNED-UP FOR EMERSON CUP CLOSE TOMORROW

Squash Team Goes to Hartford For Return Match With Trinty

Sign-ups for the Emerson Trophy squash tournament will close at 4 o'clock today. According to Manager Francis R. Boyle, the tournament, which is open to all undergraduates, will take place on March 16. The competition will be held in the Squash Courts, which are located in the basement of the Finn Building.

The tournament is open to both men and women, and the teams will be divided into two divisions: the "A" Division and the "B" Division. The winners of each division will be determined based on their performance in the tournament.

The tournament is an excellent opportunity for students to test their skills and to compete against their peers. It is a great way to get involved in the squash community and to improve one's own game.

BIOGRAPHY DANCE AND SOPHOMORE DANCE SET NET PROFIT

John E. Ballard, '36, a member of the Sophomore Prom Committee, announced last evening that the dance will be held on March 18. The dance will be held at 8:30 p.m. in the Copley Inn, and will feature music provided by the dance band of the Century Club.

The dance is open to all undergraduates, and admission tickets will be sold for $2.00 per person. The proceeds from the dance will be used to support the activities of the Sophomore Prom Committee.

The Sophomore Prom Committee is responsible for organizing and coordinating all of the events leading up to the Sophomore Prom. The committee is made up of students from the class of 1932, and it is dedicated to making the Sophomore Prom a success.
