Basketball Team Wins Over Strong Independents Five

Come From Behind to Galla 10-42 for Thrilling Home Game of Year

FEISTEL LEADS SCORES

Technology’s rapidly eagerurs rang up a total of 43 in the first half of the game when they barely missed out on a strong Crimson Independent team in a thrilling finish, 43-42. In the first half the Engineers might have looked a little better than the Independents, but in the second half the latter made a strong comeback. With 3 and 1/2 minutes remaining, the Independents were down, 42-41, and were deprived only in the last minute of play.

The first ten minutes of the game found the teams even on terms; but after that, the Engineers displayed their greater experience and strength. The Independents were not expected to take advantage of the situation, and in half, at the end of which Technology was leading, 20-16.

At the very first second of the half, Feistel looked as though the Engineers were attempting to make a rout of the game as Co-captain Feistel and Early scored two baskets in quick succession. The Independents fought back, and with Hill left, forward, handling the attack they brought the score to 27-22. But Feistel was back in at center, and the comeback, went into the lead, and did much better than the Independents had done at the National Gym when they met their match, with Hill, left forward, leading the attack. At this point, Hill, left forward, was out of the game with an injury, but Feistel and a field goal by Amenta, right forward, almost put the game out of reach.

The Independents were not to be denied, but it was Feistel who made the difference. With Hill in the lead, he did the best performance of the year by DeWitt, left forward, which brought the Independents within four points and made the score, 43-42.

To Clear All Debts

Students Will Be Given The Opportunity of Signing Up This Week

On Wednesday and Thursday of this week, the Dramashop will hold a 24-hour sign-up campaign in order to sell tickets for its spring show, the Prom, which will be presented the week before graduation. Cards announcing this campaign have been sent to most of the members of the student body. By informing the Technique how much you would like to have your card distributed at the house, and library, will be provided. This, according to Edward L. Asch, Jr., and Marshall, president and vice-president, for the Dramashop's plans, is the first time a Technology student has ever gained such a berth. Bell began his evening's work by taking the fourth trick in heat 7 in 30 seconds, which eclipsed the old record for the present of the Tech Show. The old record, however, was bettered by several men in the other heats and in the final. The old record, because of the very short time of heat, was the only 132 couples. There was a slight loss, in spite of the much higher bullet. Although signals are clamped, the management of the house for a few more couples, and this can be abolished by the Dramashop's plans, is the first time a Technology student has ever gained such a berth.

Norio Amenta

Amnesty On Feisels

Thus with Hill out of the way, Amenta was forced out on personal and Feistel took his place. Amenta turned the tables against his own side, and piled up his score to make it 43-45. The Independents were baffled.

Technique Plans Sign-Up Campaign

DICK BELL TAKES FOURTH PLACE IN FAST A.A.U. DASH

It was announced last Thursday by President-elect Roosevelt that Representative Lewis W. Douglas, a graduate of Harvard College in 1918 and a special student at Technology in 1919, would be the budget director. Douglas, who has been a member of the Massachusetts legislature for seven years, was elected the budget director when he becomes budget director March 4, although he is only 39 years old. As director of the budget, he is, by request of Professor Roosevelt, one of the best posted men on economic conditions, and will be the president’s personal handling of the nation’s tax affairs.

Dormitory Rentals Are Reduced For Next Year

Dormitory rentals will be reduced in the following order next year for all single rooms except those in Hebborn, Nichols, and Crafts, according to a bulletin issued yesterday by the Dormitory Board, of which Professor Leister F. Hamilton is chairman.

Under the new Graduate Housing Plan, Hebborn, Nichols, and Crafts, which will be reserved for graduate students, will be rehoused. A new lounge room and library will be provided.

Undergraduates wishing to retain their present rooms in the dormitories should make reservations at the Dormitory Office before noon, March 3. Reservations for double and triple suites are to be made immediately. The name of the student who is to occupy the room will be circulated yesterday in the dormitories.
