**HEDLAND REVIEWS SUCCESSFUL SEASON**

(Continued from page two)

This race at New York, held in the largest arena in the world, created lots of excitement, as the New Yorkers were looking for anything Kelly to win. Kelly had squelched the boldest record in the heat, but Dick equalled it also in his heat, and everybody looked for a new mark to be created in the final.

Bob Resource Intercollegiate Champ

The final heat of the starters were Hardy, Cornell; Madeley, Penn; University of Illinois; and Kelly, Georgetown; and Beal or Virginia. At the start, Dick took the lead but Hardy and Kelly were not too even with him at sixty, when Captain Bell found a new issue of life, and led them to the tape by 6 inches, bringing an intercollegiate champion to M.E.T.

Bell's performance in the indoor section has been sensational when it is realized that his work at school is not his others, where they have plenty of time to train. During the season he has competed in seven meets, including eight trials, eight semi-finals and seven final heats, in a great deal of racing.

Every man out for track at the Institute.

**TECH SHOW IS FREED FROM ALL OLD DEBTS**

(Continued from page two)

among the recent activities, and the stage properties now in possession of Dramatics. The latter were used in "Fancy That!" will remain the property of the show.

The report of the business manager of the show indicated an income of $3,500 and expenses approximately $900.

Consider Inactive Organizations

The motion that the following activities be abolished was made under Architectural Society, Debating Club, Morgan and Ball, Outing Club, Pansy Riding Club, Inks Club, and Squash Racquet Club.

Edward L. Aich, '34, reported a profit of approximately $800 made by the Junior Press. Since this estimate was made to include promissory notes outstanding, a definite balance has not been estimated.

**GRIDIRON INITIATION WILL BE HELD TONIGHT**

(Continued from page two)

If the skits generally concern are jokes at the banquet, the proceedings which remain secret to the outside world. Following the presentation, persons seated in the skits are allowed to give their versions of the incidents in question.

The banquet is to be given by the Technology Gridiron which will be held tonight along different lines. A series of plots has been prepared by the initiating members of the society and will be produced for the benefit of the guests. These skits will portray, in humorous and pointed manner, several events which have occurred during the past year. Most of the situations will be based on information which has been known to members of the publications, but which has not been possible to print.

**PERSECUTION OF JEWS PROTESTED BY CLUBS**

(Continued from page two)

co-sponsoring are the Manhood Society, the M. T. T. Liberal Club, and the M. T. T. Socialist Club, and tentative approval has been given by several other organizations. The motion has also been endorsed to date by many members of the faculty and instructing staff, among them the following: Mr. F. K. Koch, Professor F. E. Rogers, Professor H. G. Pearson, Professor F. C. Keys, Professor P. M. Morse, Professor H. W. Winner, Professor Robinson, Professor T. J. Hall, Professor S. J. Strelitz, Mr. A. A. Ashbrow, Mr. F. G. Finnott, Jr., Prof. R. P. Blight, and Mr. G. H. Blake.

There will be addresses by representatives of several religious, political, and professional classes which are being injured in the alleged outrages in Germany.

**HARVARD PROFESSOR ADDRESSES SOCIETY**

Dr. G. G. James, professor of chemistry at Harvard University and former head of the department of chemistry of the U. S. Tariff Commission, was guest speaker Wednesday evening at the regular meeting of Alpha Chi Sigma, the Technology honorary chemical society.

Many topics were presented at the meeting, two of the more important being, "The problems of technocracy," and "The leadership in stocks." Each pseudo-stock broker when taking any action his card was marked "in." The action has also been endorsed to date by many members of the faculty and instructing staff, among them the following: Mr. F. K. Koch, Professor F. E. Rogers, Professor H. G. Pearson, Professor F. C. Keys, Professor P. M. Morse, Professor H. W. Winner, Professor Robinson, Professor T. J. Hall, Professor S. J. Strelitz, Mr. A. A. Ashbrow, Mr. F. G. Finnott, Jr., Prof. R. P. Blight, and Mr. G. H. Blake.

**You get what you want, and you don't have to take what you don't want**

It's like this: You don't want a strong, rank cigarette; you don't want one that's tasteless. You want one that lets you know that you are smoking, but you don't want one that's bitter.

Chesterfield is milder... and yet, They Satisfy.
