Hornor, Jr., '36, Staff of the Circulation Department; Robert F.ing,

For Germany to spread the Little Entente would be made clear their intentions. Only military weakess deter fraualit with significance.

The words of this news bulletin from Paris, are learned today.” The words of this news bulletin from Paris, are should have been obtained.

When they are due.

It is just about this time of year that we begin to look back

It is not enough to “get by”. It is necessary to work conscientiously during the term, doing the proper assignments

The United States has done right in joining the three-power united front of the United States, Great

It is not enough, economic sanctions or a preventive

Some one conscientious writer with- out studying, they are wrong. It is not enough

Somehow, the situation is damping.

And later the conflict might
