SUCH TIMID SENIORS

The Tech is a student newspaper at Massachusetts Institute of Technology (MIT). The image contains a portion of an article discussing the Treaty of Versailles and its implications for Germany and other European nations. The article references a lecture by a professor at MIT, specifically a lecture by A. E. Hittl on '36. The article also mentions the League of Nations and its role in attempting to manage international affairs post-World War I. The language and tone reflect the concerns and perspectives of MIT students during that era.
