**PLYMOUTH THEATER**

"The Late Christopher Bean"

Christopher Bean, a consumptive, had been cared for—out of pure liliof
in the home of Dr. Haggett. Ten years after his death, when the
curtain rose, Bean is considered one of the few great painters America
has produced. Published in the cur-
nant "Atlantic Monthly," letters of
Bean indicate that he had left a
number of paintings at Dr. Haggett's
house.

**The Heart of a Lucky Strike**

The finest tobacco
—only the center leaves

The very heart of Lucky Strike's
fine quality is choice tobacco—
ripened by warm sunshine, rich
soils and gentle rains. Right now,
up to $100,000,000 worth of fine
Turkish and Domestic tobaccos,
the Cream of the Crop, are aging
and mellowing for the makers of
Lucky Strikes. For only a special
selection of choice tobaccos is used
in making your Luckies so round,
so firm and fully packed—free from
loose ends. The reason why Luckies
are always the same in mildness,
smoothness, in delicate taste.
