NEVER GET ON YOUR NERVES... NEVER TIRE YOUR TASTE

CAMEL'S COSTLIER TOBACCOS
NEVER GET ON YOUR NERVES... NEVER TIRE YOUR TASTE

ERICH HAGENLOCHER, twice 10,000 lb. billiard champion of the world. Healthy nerves have carried him through over-international com- petitions to many cities. Mr. Hagenlocher says: "For successful billiard play, wash your nerves. I've smoked Camels for years. They are mild. They never upset my nervous system."

Steady Smokers turn to Camels

"I know of no sport," says Erich Hagen- locher, "that places a greater strain on the nerves than tournament billiards. The slightest inaccuracy can ruin an important run. One simple rule for success is, 'Watch your nerves!' I have smoked Camels for years. I like their taste better. Because they are milder, they never upset my nervous system, and believe me, I smoke plenty."

There is a difference between Camel's costlier tobaccos and the tobacco used in other popular cigarettes. You'll notice the difference in taste and mildness—and Camels never jangle your nerves. You can prove this yourself. Begin today!
