T.C.A. Drive Fibs To Secure Annual Budget by $1,204

Fraternity Contributions More Than Doubles Men and Commuters

Failing to reach the goal by $1204, the total that has come in from the T.C.A. drive to date is $1204, or 60% of the budget. Not all of the fraternities have yet turned in their solicitation reports, but any further increase will be welcome.

The members of fraternities have vol-unteer to contribute 30% more than the students living in the dormitories or the commuters. In fact, their goal, based on these figures, is $2492.33 more than the combined contribution of the men and women fraternities. The amount raised by the various chapters is: class of ’39, $2055.61; class of ’40, $1051.07; class of ’39, $332.46; class of ’40, $458.24; class of ’41, $212.38; class of ’42, $198.97. Of the 2,900 students in the school, 1,820 contributed to the drive. The average contribution was $2.32.
